

EC 1935/2004 and EC 10/2011

Declaration of Conformity

Marfil Group Sp. z o.o. spółka komandytowa declares that materials in below pump models are approved for food contact according to the regulation EC 1935/2004 and EC 10/2011.

Product names:

FLUSSMANN sanitary lobe pumps & FLUSSMANN sanitary twin screw pumps

Pump models:

FDP+-A, FDP+-B, FDP+-C, FDP+-D

FTS-A, FTS-B, FTS-C

Material executions:

FDP+ (Housing AISI 316L, Mechanical Seal SiC/SiC/V or TC/TC/V, O-rings EPDM, Lobes AISI 316L, Front Cover AISI 316L)

FTS (Housing AISI 316L, Mechanical Seal SiC/SiC/V or TC/TC/V, O-rings EPDM, Screws AISI 316L, Front Cover AISI 316L)

This EU regulation applies to all food contact materials, e.g. metals, plastics and rubber materials. It requires that these materials are safe, are traceable throughout the production chain (according to above EN 10204) and that they are produced according to good manufacturing practice (GMP).
